Bold events require sign up.

Lunches and Dinners

- MCR Lunches** A delicious two-course lunch at High Table.*
- MCR Dinners** Meet in the MCR for pre-dinner sherry followed by a three-course meal with wine, and port to finish.*
- Exchange Dinners** A chance to meet people from another college and rate their food... A two-leg dinner, one in Lincoln and the other in the exchange college. This term we have 2 exchanges; in Green Templeton and St. John's.*

Nights In

- Pub Quiz** Come to Deep Hall to pit your wits against a legendary SF pub quiz with "family" teams!
- Movie Night** Throughout the term we will be offering some relaxing, low-key nights in. We'll show a selection of movies and TV shows -- various classics and some not-so-classics. Recommendations welcome.
- MCbaR** Basically, come to Deep Hall and drink. Stands for either "MCR in the baR" or "Monday! C u in the baR". Sorry.
- Wine and Cheese** The Lincoln favourite returns. Wines and cheeses from around the world.
- Dessert Competition** Do you know your choux from your filo? Come and show off your culinary skills as the MCR competes for the title of "ChefMaster". Whether you're bringing a dessert or not, everybody is encouraged to come and socialise! Cooking doesn't get tougher than this.
- Charity Casino Night** A black-tie casino night at our very own college. All proceeds go to the MCR Charities Fund.
- Whisky Tasting** Drink and learn about scotch whisky from the manager of The Whisky Shop on Turl Street.*
- Wine Tastings** We have two different wine tastings this term. One is a blind tasting; learn the basics of identifying different types of wine from an expert, Lincoln MCR's own James Flewellen*. The other is a guide through various wines from Lincoln SCR's Wine Fellow, Nigel Wilson*.

Lincoln College MCR Trinity Term '11

Lincoln Traditions

- Emily Carr Party** A free party for all MCR members, held in the Emily Carr house in Bear Lane. Probably best to write off the following day...
- Post-Emily-Carr Brunch** Eat a hearty brunch to stave off the hangover and catch up with any gossip from the night before by signing up to College Brunch for the day after Emily Carr.
- Christmas Dinner** Celebrate Christmas in the traditional, opulent Oxford style with wine, port, and a formal 4-course dinner in hall. Christmas comes early at Oxford, because people begin leaving for the holidays soon after term ends -- sure, Christmas is still 3 weeks away, but you'll forget about that as we pull out all the stops!*

Nights Out

- Oxford Beer Festival** Join us on a voyage of local-made and more exotic real ales and quality cider at the annual festival.
- Turl Street Social** Meet people from Jesus and Exeter, our Turl Street neighbours, at The Chequers all evening. Alternatively, give them the evils and speak solely to Lincolnites all night.

Days Out

- Walk to the The Perch** A stroll through the untamed Port Meadows to a lovely underused traditional Oxford pub - The Perch.
- Downing Exchange** A full day out in Cambridge as we visit our sister college, Downing. We return the favour in Hilary.*

Other Events

- MCR Teas** Enjoy tea, biscuits and a nice chat in the MCR.
- Conversazione** A talk from a guest speaker for both the SCR and the MCR.
